

You can join Skid Row Housing Trust by supporting services and programs for residents moving out of homelessness.

**Calling All Musicians**

Skid Row Housing Trust hosts a concert series called Trust in Sound that celebrates local artists while raising awareness and support for permanent solutions to homelessness. You can help us build a community where everyone has a place to call home by lending your talents to this concert series.

**Donate Your Art**

Use your art for good! Artists of all backgrounds - jewelry, clothing, music - have donated their work through partnerships and auctions to support resident programs. One artist raised \$16,000 in one weekend! Let us know if you are interested in seeing how your art can provide live-changing experiences for residents.
