1. To start the registration process, visit homewalk.unitedwayla.org.
2. Click on the blue Register Now button.

3. It will take you to the registration homepage. To begin your registration, click Register for HomeWalk.
4. A new field will appear. Enter your email address and click **Continue**.

5. A pop up will show on your screen. You can either create your account by signing in with Facebook or Google, or manually inputting your information. When finished, click **Create My Account**.
6. Next, click **Join a Team** and a search bar will appear. Enter the team name you wish to join. When you are finished, click **Continue**.

7. Select either **Walker**, **Runner**, or **Minor** if you are registering a participant 18 years old and younger.
8. A drop down will appear where you will enter your information including: first name, last name, address, city, state, zip code, country, and phone number. Next, enter your personal fundraising goal and an optional donation to kick off your fundraising efforts. Once finished, click Continue.

9. You will be taken to the final page Review and Billing. Here you can review your information, add additional registrants, or apply a promo code (if applicable). For a complete guide on how to add additional participants, see guide How to Add Additional Participants.
10. Scroll down the page to enter your billing information. Once finished, click **Complete Registration**.

10. Congratulations! You’re signed up a team member. You now have the ability to manage your page. You can now upload your profile photo, spread the word about HomeWalk, raise your first donation, and more!
